OFFICE OF LEGISLATIVE COUNSEL

Friday - 13 September 1963

1. [] Left with Mr. Sam Archibald, Staff Administrator, Subcommittee on Foreign Operations and Government Information, House Committee on Government Operations, a copy of our proposed response to the Subcommittee's most recent questionnaire. Mr. Archibald was extremely busy and said that since they were extending the due date on responses, he would appreciate an opportunity to look at our draft reply at his leisure. I told Mr. Archibald it was perfectly agreeable with us and that we would wait to hear from him when he had had an opportunity to review our letter.

3. [] Delivered to Russ Blandford a draft committee report in connection with H. R. 3427. In addition, I furnished him with a proposed statement for Mr. Rivers to deliver to the full House Armed Services Committee on behalf of the Subcommittee No. 1.

✓ 4. [] Confirmed with Boys Crawford that the Director would brief the House Foreign Affairs Committee on the requested date of 19 September at 10 a. m. The only guidance Crawford offered was the references by Secretary Rusk, in a hearing of several weeks ago, to the LCI furnishing information to the Committee.
